ABOUT CAFE POSTALE

Café Postale is located in Omaha's historic Rail & Commerce Building, formerly the Burlington Mail Terminal. The building operated as an essential mail-sorting checkpoint in the United States, until the 1970s. After years of sitting vacant, the building underwent a much-needed renovation beginning in 2015. Reopened as the Rail and Commerce Building, we are listed on the National Register of Historic Places and feature offices, a coworking space, and, of course, our café and event venue!
